

REMARKS

In response to the Office Action mailed in accordance with the practice under *Ex Parte Quayle*, the foregoing amendments should obviate all outstanding objections. Applicants gratefully acknowledge the Examiner's statement that claims 1-34 contain allowable subject matter. Claims 1, 13, and 15 have been amended as requested by the Examiner. Applicants point out that the Office Action referred to an objection to claim 12, which Applicants believe was meant to refer to claim 13. Appropriate correction to the objectionable claim language was made to claim 13.

In view of the above amendment, applicant believes the pending application is in condition for immediate allowance.
